TYPE APPROVAL CERTIFICATE

This certificate is issued to

PLASTIMO Marine
LORIENT - FRANCE

for the type of product

SURVIVAL CRAFT RATIONS & WATER

EMERGENCY DRINKING WATER

Requirements:

SOLAS 74 Convention, as amended, Regulation III/4.
IMO Resolution MSC.48(66) paras 4.1.5.1.18 and 4.4.8.12.
ISO 18813:2006

This certificate is issued to attest that BUREAU VERITAS did undertake the relevant approval procedures for the product identified above which was found to comply with the relevant requirements mentioned above.

This certificate will expire on: 30 Nov 2016

For BUREAU VERITAS,

At BV NANTES, on 30 Nov 2011,

Joel Gaurin

This certificate remains valid until the date stated above, unless cancelled or revoked, provided the conditions indicated in the subsequent page(s) are complied with and the product remains satisfactory in service. This certificate will not be valid if the applicant makes any changes or modifications to the approved product, which have not been notified to, and agreed in writing with BUREAU VERITAS. Should the specified regulations or standards be amended during the validity of this certificate, the product(s) is/are to be re-approved prior to it/they being placed on board vessels to which the amended regulations or standards apply. This certificate is issued within the scope of the General Conditions of BUREAU VERITAS Marine Division available on the internet site www.veristar.com. Any Person not a party to the contract pursuant to which this document is delivered may not assert a claim against BUREAU VERITAS for any liability arising out of errors or omissions which may be contained in said document, or for errors of judgement, fault or negligence committed by personnel of the Society or of its Agents in establishment or issuance of this document, and in connection with any activities for which it may provide.

4. APPLICATION / LIMITATION :

- As per requirements stated on front page of this certificate.
- This certificate does not prejudice of any requirements additional to those stated on the front page that may be required by National Maritime Authorities for equipment to be fitted on board ships entitled to fly its flag.
- Validity period not to be more than 5 years

5. PRODUCTION SURVEY REQUIREMENTS :

The water rations for survival craft are to be manufactured, examined and tested by the applicant in accordance with the type described in this certificate.

Production sites are to be recognized by Bureau Veritas as per NR320 for HBV products. To this end the applicant has to make the necessary arrangements for a Society's Surveyor to perform visits and product audits at the production sites.

The applicant has declared to Bureau Veritas that the type of product described in this certificate may be manufactured at the following production sites :

15 rue Ingénieur Verrière
B.P. 435
F-56325 LORIENT
FRANCE

6. MARKING OF PRODUCT :

Each individual water sachet to be clearly marked with:

- The Manufacturer's name or Trade Mark
- Contents capacity
- Lot number
- Date of manufacture
- Date by which it must be replaced
- A recommended daily consumption per person

Marking on the inner packaging

- Description of the contents
- Recommended consumption instructions

7. OTHERS :

This approval is given on the understanding that the Society reserves the right to require check tests to be carried out on the water sachets at any time and that Plastimo Marine will accept full responsibility for informing survival craft Manufacturers/distributors/servicers of the proper methods of storage and general maintenance of the water sachets and the conditions of this approval.

This certificate supersedes Certificate of Type Approval N° 09475/C0 BV, issued on 07/06/2010 by the Society.
